

COCOPRO

The Maxel Cocopro Electric Coconut Scraper is handy, noiseless, and easy to use for daily kitchen needs. This scrapper has blades on top and a collection plate attached for convenience. The scrapper unit is detachable which makes it simple to clean and maintain. The low-speed setting helps with getting uniform shreds and avoids spillage.

As a bonus feature, it also comes with an attachment for a Citrus Juicer with a strainer to remove any residue, making this unit a must-have device for any kitchen.
