

INSTRUCTION MANUAL

Commercial Sevai Maker

Dear Customer,

We are glad to welcome you to the maxel family. At maxel, we make products with precision and at most quality, ensuring that our customers are deriving complete value for their money.

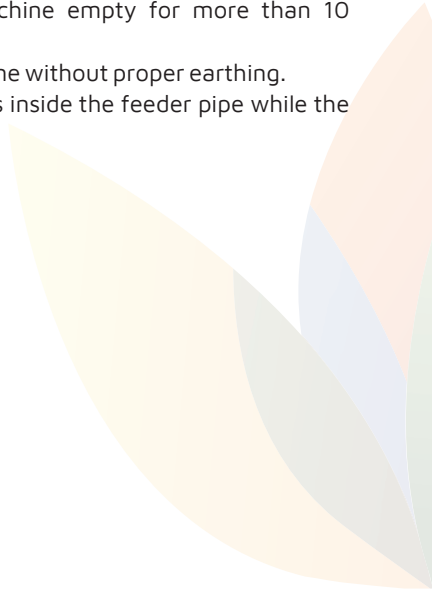

More than making your job effortless, we are delighted that we are assisting you in making the tastiest and healthiest foods every day!

Directions to Use:

- Upon un-wrapping, remove the warranty card from the machine and keep it safe.
- The order to be followed for using the machine is as follows.
 - Clean the machine with dry cloth.
 - Switch ON the compressor, open the outlet valve.
 - Check if the pressure is set to the desired value at the back of the machine.
 - Fill the feeder pipe with adequate cooked batter.
 - With a collecting vessel below the feeder pipe, pull the handle backward in order to press.
 - Once the current batch is over, push the handle forward.
 - Repeat the previous 3 steps for further batches.
 - After the process is over, remove the bottom nut in the feeder pipe and wash it with water. Clean the machine with wet and dry cloth after every use.

- Switch OFF the compressor and close the outlet valve.

Do's & Don'ts

- Periodically ensure the oil level in the lubricator in a weekly basis.
 - Keep the machine in a flat & non-slippery surface.
 - Keep the machine out of the reach of the children.
 - Ensure the wheels are locked when the machine is in use.
 - Periodically do the maintenance activity for compressor instructed in its manual.
 - Do not run the machine before reading this manual.
 - Do not run the machine empty for more than 10 seconds.
 - Do not run the machine without proper earthing.
 - Do not put the hands inside the feeder pipe while the machine is running.
-
